Celebrating a major birthday, the Original Pawleys Island® Rope Hammock unveils a line of exceptional all-weather porch furniture inspired by life in the Lowcountry South

Essentials Adirondack Rockers, Black color (MSRP \$359.99 each).

Come join us, and sit a spell!

The Original Pawleys Island Rope Hammock, originator of the American style of rope hammock back in 1889 and a continuing leader in the handcrafting of high-end relaxation essentials, introduces for 2015 a line of virtually maintenance-free porch furniture handmade in the coastal Carolinas, and designed with the leisurely Lowcountry lifestyle in mind.

Crafted from solid Durawood™ HDPE poly-lumber manufactured from recycled plastic milk jugs, each piece in the new Pawleys Island furniture line's three collections features rust-resistant marine-grade 316 stainless steel hardware and uncommonly secure joint connections (including Pawleys' patent-pending K-joint), making it among the most stable outdoor furniture available today.

Chairs, rockers, tables and foot rests in the Essentials and Sunrise collections are Durawood lumber and hardware only. The Coastal Collection of Durawood chairs, rockers and swings, has seats and seatbacks, however, of either hand-woven synthetic rope (soft-spun polyester in bright white, or DuraCord®, available

in seven colors) or plump interwoven Sunbrella® fabric cushions (choice of three colors/patterns; Canvas Turf color immediately at right) with plush centers of resilient polyester hollowfill fiber. Both DuraCord and Sunbrella are uncommonly weather-hardy and colorfast, in addition to being cottony-soft.

Cedar color (MSRP \$399.99)

All Original Pawleys Island Durawood furniture is available in multiple lumber colors, from hues closely resembling actual wood to the eye-popping brights so popular on Pawleys Island, S.C., porches.

The new Original Pawleys Island outdoor-furniture line will be showcased for the first time at the International Casual Furniture & Accessories Market, Sept. 16-19 in Chicago, and then at the High Point Market, Oct. 18-23 in High Point, N.C.

The Original Pawleys Island Rope Hammock is part of coastal Carolinas family company The HammockSource, the world's largest manufacturer and seller of hammocks. Pawleys Island products are available through specialty retailers, and through Pawleys.com and other quality online stores.

Pawleys Island.

It's a place ...

*... where the pace advances so slowly, it's as though time itself is standing still.
... of shambling beachfront cottages that creak and sigh in soft, salty air.
... of ancient live oaks with shaggy branches of tangled Spanish moss.
... of rope hammock twilights and stop-your-heart sunrises.*

A place where relaxation isn't just an idea, it's a whole way of life.
